	RIAL SAFETY DATA			
Based on Regulation (E	EC) No 1907/2006 Article 31 and Annex II -	published on 07/12/2012		
86500				
1. Chemical product and	company identification			
1.1. Product identification				
86500 anti-slip tape				
1.2. Application of the article				
Anti-slip tape applicable on smooth su	Irfaces			
1.3. Company identifaction				
Option Tape Specialties N.V./S.A.				
Frankrijkstraat 8				
9180 Temse				
Belgium				
Tel.: +32 (0)3 71	0 19 19 Fax.:	+32 (0)3 711 34 64		
info@optiontapespecialties.com	www.optiont	apespecialties.com		
1.3. Ermergency information				
Tel.: +32 (0)3 710 19 19				
2. Hazards identification				
Not dangerous when used under norn	nal conditions			
Eye contact	Adhesive may cause irritation or cuts			
Skin contact	Adhesive may cause irritation or cuts			
Inhalation	Adhesive may cause irritation or cuts			
Ingestion	Not an expected route of entry during	normal use and handling		
3. Composition/informati	on on ingredients			
Chemical name	CAS #	Wt. %		
Aluminium oxide	1344-28-1	55,0		
Poly(vinyl chloride-co-vinyl acetate)	9003-22-9	18,0		
Toluene	108-88-3	2,5		
Isopropanol	67-63-0	2,5		
Ethyl acetate	141-78-6	5,0		
Methyl Methacrylate	80-62-6	20,0		
4. First aid measures				
General first aid measures	In case of doubt or persistent symptor	ns, contact a physician		
Eye contact	Flush with plenty of water			
	In case of peristent symptomes, conta	ict a physician		
Skin contact	Try to detach carefully with a blunt obj	ect		
	Flush with plenty of water and soap			
	In case of peristent symptomes, contact a physician			
Inhalation	Remove to fresh air			
	In case of peristent symptomes, contact a physician			
	Do not induce vomiting, contact a phy	sıcıan immediately		
5. Firefighting measures				
5.1. Extinguishing media				
Water, dry chemical, foam, carbon dioxide				
5.2. Precautions				
Use self contained breathing apparate	is and personal protective equipment			

MATER	RIAL SAFETY DATA SHEET	TION PLECIAL THES	
Based on Regulation (E	C) No 1907/2006 Article 31 and Annex II - published on 07/12/2012		
86500			
5.3. Hazardous products of comb	pustion		
Carbon monoxide, carbon dioxide and traces of other carbon products			
6. Accidental release measures			
6.1. Personal precautions, protective equipment and emergency procedures			
Avoid contact with skin, eyes or clothing			
6.2. Environmental precautions			
Use appropriate container to avoid environmental contamination			
6.3. Methods and material for containment and cleaning up			
Clean up with acetone			
7. Handling and storage			
7.1. Precautions for safe handlin	g		
Keep away from heat/sparks/open flan	-		
No special technical protective measure	res required		
7.2. Conditions for safe storage			
Store in a cool dry place			
7.3. Specific use(s)			
Wash hands with soap and water after			
8. Exposure controls/personal protection			
8.1. Control parameters			
No special measures are necessary			
8.2. Exposure controls			
	Avoid breathing of thermal decomposition products		
-	Wear protective gloves, if necessary Normal work wear		
	Wear protective goggles, if necessary		
9.1 Physical and chemica			
9.1. Information on basic physical and chemical propreties			
	Solid		
Colour/appearance	Yellow/black, grains stick on surface		
Odour	Slight solvent		
9.2. Other information			
n/a			
10. Stability and reactivity	ý		
10.1. Incompatible materials			
	and used under normal circumstances, avoid acids and oxidizers		
10.2. Conditions to avoid			
None known			
10.3. Hazardous decomposition producst			
Carbon monoxide, carbon dioxide and traces of other carbon products			
10.4. Reactivity			
Heat, spark, flame or ignition sources 10.5. Chemical stability			
Stable under normal conditions			

# MATERIAL SAFETY DATA SHEET

Based on Regulation (EC) No 1907/2006 Article 31 and Annex II - published on 07/12/2012

# 86500

# **11.** Toxicological information

11.1. Acute toxicity

Adhesive may cause irritation

11.2. Chronical toxicity

n/a

11.3. Acute damage/symptoms

Eye contact	Adhesive may cause irritation
Skin contact	Adhesive may cause irritation
Inhalation	Adhesive may cause irritation
Ingestion	Adhesive may cause irritation
11.4. Chronical damage/sympto	oms
Eye contact	In case of peristent symptomes, contact a physician
Skin contact	In case of peristent symptomes, contact a physician
Inhalation	In case of peristent symptomes, contact a physician
Ingestion	In case of peristent symptomes, contact a physician

# 12. Ecological information

12.1. Ecotoxicity

The material does not present environmental hazards

12.2. Persistence and degradability

n/a

12.3. Bioaccumulative potential

n/a

12.4. Mobility

n/a

12.5. Results of PBT and vPvB asesssment

n/a

#### 13. Disposal considirations

This product can be recycled either in an authorised disposal unit or by controlled incineration. Packaging and waste are to be disposed in accordance with local regulations

## 14. Transport information

Not classified as dangerous under transport regulations

## 15. Regulatory information

Not classified as dangerous within the meaning of EEC regulations

#### 16. Other information

This safety data sheet has been drawn up in accordance with European Standard 91/155EEC and with Regulation (EC) No 1907/2006 Article 31 and Annex II. This sheet supplements but does not replace the product technical data sheet. The provided information is based on our knowledge of the product in question as of 28/01/2009 and it is information given in good faith. The attention of the user is also drawn to risk which may be involved when a product is used for purposes other than that for which it is designed. The accuracy of the information given in this sheet cannot be guaranteed. This information, which is given to our customers in good faith, for the sole purpose of informing and assisting them in their research cannot give rise to any formal or implicit guarantee with regard to its use. As result, Option Tape Specialties shall not be held responsible for any damage of any kind regarding the issue of this document. Similarly, no information contained herein shall be interpreted as an authorisation or recommendation on use of products which would breach rights protected by patent rights.
